Schiff Family History of corruption

The richest family you never heard of, who is the Schiff family?

Going all the way back to a Jewish settlement in the middle ages, the Schiff and Rothschilds lived under one roof in Europe. Continued for centuries..

Intermarriage and acting as one family, ultimately beginning the Schiff dynasty with Jacob Schiff, born Frankfort Germany in 1847. At age 18, Jacob sailed for NY , where he moved up the ranks in the American Banking industry. Jacob (Rothschilds cousin)..

Became a member of the Kuhn Loeb, a European/Jewish investment firm, which became the most influential investment firm of the industrial era, helping finance top industry tycoons such as John D Rockefeller and his expansion on Standard Oil. Jacob...

Jacob Schiff Ordered Czar and Family Murdered

July 9, 2011

Illuminati Jewish banker Jacob Schiff pulled the strings on the "Russian" Revolution, including the savage murder of Czar Nicholas II and his family. The same power is behind the New World Order.

- 1907: Rothschild, Jacob Schiff, the head of Kuhn, Loeb and Co., in a speech to the New York Chamber of Commerce, warns that,
- "Unless we have a Central Bank with adequate control of credit resources, this country is going to undergo the most severe and far reaching money panic in its history."
- Suddenly America finds itself in the middle of another typical run of the mill Rothschild engineered financial crisis, which ruins as usual ruins the lives of millions of innocent people throughout America and makes billions for the Rothschilds.

Kuhn, Loeb, Bernard Baruch, J.P. Morgan, Eugene Meyer; Paul Warburg, Max Warburg, Jacob Schiff, Louis Brandeis, Alfred Rothschild

National loans [edit]
 What was perhaps Schiff's most famous financial act was during the Russo-Japanese War, in 1904 and 1905. Schiff met Terauchi Korenisi, deputy governor of the Bank of Japan, in Paris in April 1904. He subsequently secured loans to the Empire of Japan in the amount of \$200 million, through Kuhn, Loeb & Co.^[1] These loans were the first major infusion of Japanese funds on world interest, and provided approximately half the funds needed for Japan's war effort.^[2] Schiff made this loan partly because he believed that gold was not as important as national effort and desire in winning a war, and due to the apparent underdog status of Japan at the time, no European nation had yet been defeated by a non-European nation in a modern, full-scale war. It is quite likely Schiff also saw this loan as a means of answering an *appeal of the Jewish people (the gold-loan)* actions of the Russian Empire, specifically the Tsar's anti-Jewish program. This loan attracted worldwide attention, and had major consequences. Japan won the war, thanks in large part to the purchase of munitions made possible by Schiff's loan. Some of the Japanese leadership saw this as evidence of the power of Jews all around the world, raised the issue of Jewish loyalties in the Chicago and as proof of the truth of the Protocols of the Elders of Zion. In 1905, Japan awarded Schiff the Order of the Sacred Treasure 1st and 2nd class.

Married into Kuhn Loeb becoming head of the firm, yet never changing the name. Jacob became the director of National City Bank of NY, Wells Fargo and the Union Pacific Railroad. Also on his resume, Jacob was one of the main financiers of the Bolshevik ...

Schiff's Jewish agents in Russia skillfully used the humiliating loss of the Russo-Japanese war as an occasion to launch a Communist revolution. The bloody Revolution of 1905 ultimately failed, but the Tsar's regime was left considerably weakened. Many of the returning Russian POWs came home brainwashed after Schiff had arranged for Communist propaganda to be given to them while in Japanese captivity. The final Bolshevick overthrow of Russia in 1917 will owe its success, in large part, to the damage done to Russia by the team of Jacob Schiff & Ted the Red Roosevelt on 1905.

Teddy Roosevelt's anti-Russian 'diplomacy' and Jacob Schiff's money (both seated from left) almost turned Russia into a Communist state in 1905.

In the mid-1800's, another German Illuminati was sent on a mission from the House of Rothschild to accomplish a goal of this New World Order. His name was **Jacob Henry Schiff (1847-1920)**. He came to New York first for the sole purpose of getting control of the monetary system. He ran into a slight brick wall with the banking house owned by the **Payson** so he had to figure out another plan, to work from the inside out. He eventually became the head (manager) of the banking firm of Kuhn, Loeb and Company. He became the director in many important corporations, including the New York City National Bank, the Equitable Life Assurance Society and the Union Pacific Railroad. Back to the railroad, again.

Using charity as a front to hide his Illuminati one world government activities, Jacob Schiff became one of the most important successors of leading the U.S. towards anarchy. As stated by Lenin earlier, one of the first goals of the Communists is to get control of all monetary systems of the world, and this was to be Schiff's first achievement.

A Republican, Senator Nelson Aldrich (is Rockefeller's uncle) proposed a National Reserve Association in 1911 consisting of a Central Bank, fifteen branches, and atop board controlled by the nation's leading bankers (which was then dominated by J. P. Morgan) of whom we will study more of in a moment. But Aldrich's proposal never passed. However, the Illuminati conspirators landed one of their first men to become a President of the United States. His name was Woodrow Wilson. We will also look into the life of Wilson and what part he played in this conspiracy in a moment. However, before we examine how actually our Presidents became candidates for the Office, we should understand another achievement that Jacob Schiff accomplished in the United States. This was connecting the bankers of America, J.P. Morgan, Paul Warburg, and the Rockefeller's into this Luciferian Conspiracy, and the American big bankers formed a confederacy with Jacob Schiff, who was actually working as agent for the House of Rothschild.

"Paul Warburg married Nina Loeb, daughter of Solomon Loeb of Kuhn Loeb, and Company, America's most powerful international banking firm. Brother Felix married Frieda Schiff, daughter of Jacob Schiff, the pulling power behind Kuhn, Loeb." Stephen Birmingham writes in his authoritative *Our Crowd*: "In the eighteenth century the Schiffs and Rothschilds shared a double house" in Frankfurt. Schiff reportedly bought his partnership in Kuhn and Loeb with Rothschild money. Both Paul and Felix Warburg became partners in Kuhn, Loeb and Company.

Senator Nelson Aldrich, whose daughter married John D. Rockefeller Jr., together with Paul Warburg and other internationalist bankers set-up a secret meeting at Jekyll Island Georgia, to make plans to get control of American's Banking Systems by establishing a central bank. Some of the invited guests were Henry P. Davidson of J. P. Morgan and

"Age of the Rothschild," and concluded that there was, "Only one power in Europe, and that is Rothschild."
 1912: In the December issue of, "Truth," magazine, George R. Conroy states of banker Jacob Schiff,
 "Mr Schiff is head of the great private banking house of Kuhn, Loeb, and Co., which represents the Rothschild's interests on this side of the Atlantic."

www.fidelisforum.com/indonesia/De

He has been described as financial strategist and has been for years the financial minister of the great Imperial power known as Standard Oil.

He was hand in glove with the Harrimans, the Goulds, and the Rockefeller in all their railroad enterprises and has become the dominant power in the railroad and financial power of America."

1913: On March 4, Woodrow Wilson is elected the 28th President of the United States. Shortly after he is inaugurated, he is visited in the White House by Ashkenazi Jew, Samuel Untermyer, of law firm, Guggenheim, Untermyer, and Marshall, who tries to blackmail him for the sum of \$40,000 in relation to an affair Wilson had whilst he was a professor at Princeton University, with a fellow professor's wife.

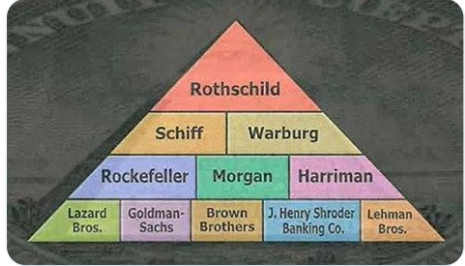

President Wilson does not have the money, so Untermyer volunteers to pay the \$40,000 out of his own pocket to the woman Wilson had had the affair with, on the condition that Wilson promise to appoint to the first vacancy on the United States Supreme Court a nominee to be recommended to President Wilson by Untermyer. Wilson agrees to this.

Hello, I am Evelyn De Rothschild

- My Family Owns Bank of America
- We Also Financed the Nazis
- We Were Commissioned by the Royal Family to Put Down the American Revolution
- We Financed the Communist Revolution in Russia
- We Destroyed Palestine to Create Israel

His daughter Frieda married into the Warburg family (federal reserve). Jacob Schiff great grandson through David T Schiff is Andrew Schiff, husband of Karenna Gore Schiff (daughter) of AL gore. The father of Al Gore was an associate of communist agent..

THE SCHIFF CONNECTION

Remember the Schiff family? In the first article I explained that they shared a residency in Frankfurt, forever binding the two families. The Schiffs became Rothschild agents, and like most agents of the Rothschilds they eventually became very rich and powerful. The most prominent of the Schiffs was Jacob Henry Schiff. Jacob was born in Frankfurt in 1847, and was sent by the Rothschild/Schiff network to America to make his fortune (Much like the Astors sent John Jacob Astor). Jacob Schiff arrived in New York in 1865. Ten years later he became the partner of the Illuminati firm Kuhn, Loeb & Company. Ten years after that he became its president. Directing Rothschild and Illuminati affairs from this seat of authority, Jacob Schiff was also on the board of directors of Central Trust Company, Western Union, and Wells Fargo Company. Like most elite, he gave vast amounts of money to charity. Philanthropy pays off in a big way to the ruling class.

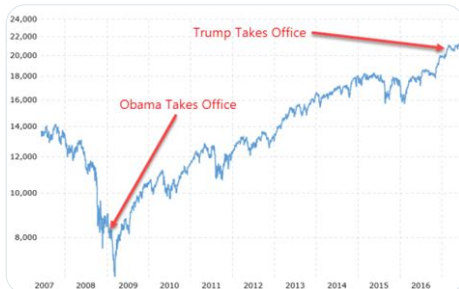

Armand Heimer, who's father was the founder of of the American Communist party, David Schiff forefather financed the Bolshevik revolution of 1917 (pilgrim society). Jacob Schiff was brother in law to Solomon Loeb & Paul Warburg (chief architect of Federal..

GM of WeHo's Standard Hotel Identified as Victim of Newport Beach Helicopter Crash
 Wed, Jan 31, 2018 By Staff

Kimberly Lynne Watzman, the general manager of the Standard Hotel in West Hollywood, was one of the three people killed in a helicopter crash in Newport Beach on Tuesday.

Watzman, 45, had worked as general for the Standard Hollywood on Sunset Boulevard since July 2015. Previously she had been a manager and director at the Standard in downtown Los Angeles.

Watzman, who lived in Santa Monica, was one of four people on the helicopter when it crashed. Others who died were Joseph Tena of Newport Beach, who apparently was the pilot, and Brian Reichelt of Hollywood, Fla. Another passenger was seriously injured and was taken to Orange County Global Medical Center in Santa Ana. Reichelt was the regional finance director for the Standard's parent company.

At a press conference at the Interfax-Ukraine agency on Wednesday, MP Andriy Derkach announced that deputies have received new materials from investigative journalists about international corruption and the participation of Ukrainian officials in it.

"Last week, November 14, the Prosecutor General's Office (PGO), unnoticed by the media, announced a new suspicion to the notorious owner of Burisma, ex-Ecology Minister Zlochevsky. According to the suspicion, the Yanukovich family is suspected, in particular, with legalizing (laundering) of criminally obtained income through Franklin Templeton Investments, an investment fund carrying out purchases of external government loan bonds totaling \$7.4 billion," Derkach said.

With reference to the investigation, he emphasized: it was money criminally obtained by the "family" of Yanukovich and invested in the purchase of Ukrainian debt in 2013-2014.

For his part, MP Oleksandr Dubinsky from the Servant of the People faction said that according to investigators, "the Yanukovich 'family' illegally obtained \$7.4 billion and laundered the funds through an investment fund close to some representatives of the U.S. Democratic Party in the form of external government loan bonds."

Meanwhile, Derkach said that several facts indicate Franklin Templeton Investments' relationship with the U.S. Democratic Party.

"The son of Templeton's founder, John Templeton Jr., was one of President Obama's major campaign donors. Another fund-related character is Thomas Donilon, Managing Director of BlackRock Investment Institute, shareholder Franklin Templeton Investments, which has the largest share in the fund. It is noteworthy that he previously was Obama's national security advisor," Derkach said.

They have played a huge part of the corrupt foundation that currently enslaves us and sells out this country to the highest bidder. They are the richest family you never heard of.
